MEMORANDUM

TO: Board of Trustees

FROM: Rodney Banks, Manager

DATE: November 10, 2023

SUBJECT: **IV.B. Consideration of 2024 Tentative Budget**

The attached tentative budget is for the trustees to review and make any suggestions or comments in this board meeting. There aren't any major changes from the draft budget presented in October's board meeting. The District was able to confirm that Roy City will not be doing any asphalt overlays this year that will impact any of the District's main lines, so that is reflected in the tentative budget.

A suggested motion would be, "I move that we approve the 2024 Tentative Budget."

MEMORANDUM

TO: Board of Trustees

FROM: Rodney Banks, Manager

DATE: November 10, 2023

SUBJECT: **IV.G. Consideration of Voting Davis and Weber Counties Canal Company Stock at Annual D&WCCC Stockholders Meeting**

The Davis & Weber Counties Canal Company (D&WCCC) has their annual stockholders meeting scheduled for December 19, 2023, at 6:30 p.m. In previous years, the board has appointed the Chair to vote the District's stock and Vice-Chair and General Manager as alternates in case the Chair is unable to vote the District's shares.

A suggested motion would be, "I move that we appoint the Chair to vote the District's Davis & Weber Counties Canal Company stock and appoint the Vice-Chair and General Manager as alternates."

MEMORANDUM

TO: Board of Trustees

FROM: Rodney Banks, Manager

DATE: November 10, 2023

SUBJECT: **IV.H. Consideration of Railrunner Phase 1 and 2 Development Agreement**

Railrunner Phase 1 and 2 is located at approximately 4400 South 2700 West in Roy which is just south of the Kwik City Muffler on 4000 South and north of Hooper Water Improvement district's water tanks that are located north of 4800 South. Recall that in May's board meeting last year, a development agreement for a project called RailRunner was approved by the trustees. There is a different company that will be developing this project and they have broken it into three phases. The new developer has submitted phase 1 and 2 to the District for review and approval.

The project design is similar to the one presented last year with a few changes here and there. The existing water allotment is enough to provide for the secondary water needs for the entire development so the developer will not be required to bring water shares. The developer will be required to install an appropriate meter or meters for the project. Otherwise, this is a standard development agreement.

A suggested motion would be, "I move that we approve Railrunner Phase 1 and 2 Development Agreement."

SUBJECT: **IV.I. Consideration of Reviewed Personnel Policies and Procedures**

Utah Code Title 17B-1-802 requires the District to annually review its personnel policies to ensure that they conform to the requirements of state and federal law. In performing this review for 2023, there are a couple of items that changed in the Per Diem and Travel Reimbursement Rules for Employees. There have been a few changes for the Per Diem and Travel Reimbursement for Trustees. The only item for employees is the mileage reimbursement for private vehicles increased from 58.5 cents to 65.5 cents per mile. The following is a list of changes for Trustees:

1. The in state and out of state travel reimbursement for meals is \$54.00 per day for both where it was \$45 for in state and \$50 for out of state previously.
2. Some of the in state lodging rates changed.
3. The mileage reimbursement for private vehicles increased from 56 cents to 62 cents per mile.

Otherwise, there were no other items we noticed in the Personnel Policies and Procedures that were changed by state or federal law so far in 2023.

A suggested motion would be, “I move that we accept the Reviewed Personnel Policies and Procedures with the changes and additions as discussed.”
